Dear Friends,

Texas Wall Street Women (TXWSW) invites you to become a sponsor for the 9th Annual Investment Outlook event to be held on Thursday, April 26, 2018 at the Belo Mansion in Dallas benefitting the Young Women's Preparatory Network.

TXWSW, a 501(c)(3) organization, proudly supports the Young Women's Preparatory Network (YWPN), which was founded in 2002 to provide a college preparatory education for young girls in Texas from predominately economically disadvantaged families. With a unique public/private partnership model, YWPN has established 8 all-girls, college preparatory schools across the state of Texas. These schools offer underserved urban girls in Texas an opportunity for a brighter future with a path through middle and high school, and a college education. Each school is built upon core values of college readiness, responsible leadership, and wellness life skills. The goal of YWPN is to continue to graduate 100% of their enrolled students and continue with their 100% acceptance rates at universities across the country.

Why Girls Education? Studies have shown that investing in the education of girls reaps a double dividend - an educated young woman will become an adult who invests in her children's education, who earns money and respect for her family and community, and who tips the balance from poverty to progress not only for herself, but for the future family she will have. We at TXWSW are volunteering our time, resources and passion for their future and the future of our state. We ask you to help us continue the work of changing outcomes for these underserved girls and their future families.

You can make a positive difference in the lives of children and families!

On April 26, 2018 the Dallas Education, Networking, & Philanthropy Committees will host a dynamic panel discussion *State of the Market: Trends and Outlook for 2018* featuring top investment professionals and allocators from across the country. As it has been in past years, we believe this will be a very timely and interesting discussion.

Our committees will be extending invitations to this coed event to TXWSW members and the Texas financial and business community as a whole. We anticipate an attendance of 300+ professionals. In addition to the panel discussion, we will host a pre-panel reception as well as a cocktail reception featuring Southern comfort food after the discussion.

How can you help YWPN students across the state achieve their college dreams?

Participate in one or more of the tax-deductible corporate sponsorship opportunities. Please review the enclosed materials and choose to become a sponsor of 9th Annual Investment Outlook event! All sponsors will be given promotional consideration on our website and in print media. You can make a difference and an impact just by saying "YES!" Many thanks for your consideration and time!

Very kind regards,

Texas Wall Street Women

Texas Wall Street Women (www.txsw.com) is currently celebrating its 10th anniversary as a 501(c) with over 2,500 members.
