Dear Friends,

Texas Wall Street Women (TXWSW) invites you to join us in helping to make a difference in the lives of young girls. This is your opportunity to be a Corporate Sponsor of our 2018 philanthropy events. We are offering two categories of sponsorship: Corporate Sponsorships and Philanthropy Event Sponsorships, details of which are outlined on the next page. The packages include the 9th Annual Investment Outlook Panel to be held in Dallas, and the individual city Fall Philanthropy Events. All TXWSW philanthropy events benefit the Young Women's Preparatory Network (YWPN) and the schools in those cities.

TXWSW, a 501(c)(3) organization, proudly supports the Young Women's Preparatory Network (YWPN), which was founded in 2002 to provide a college preparatory education for young girls in Texas from predominately economically disadvantaged families. With a unique public/private partnership model, YWPN has established 8 all-girls, college preparatory schools across the state of Texas. These schools offer underserved urban girls in Texas an opportunity for a brighter future with a path through middle and high school, and a college education. Each school is built upon core values of college readiness, responsible leadership, and wellness life skills. The goal of YWPN is to continue to graduate 100% of their enrolled students and continue with their 100% acceptance rates at universities across the country.

Why Girls Education? Studies have shown that investing in the education of girls reaps a double dividend - an educated young woman will become an adult who invests in her children's education, who earns money and respect for her family and community, and who tips the balance from poverty to progress not only for herself, but for the future family she will have. We at TXWSW are volunteering our time, resources and passion for their future and the future of our state. We ask you to help us continue the work of changing outcomes for these underserved girls and their future families.

You can make a positive difference in the lives of children and families!

On April 26th, 2018, the Dallas Education, Networking, & Philanthropy Committees will host a dynamic panel discussion *State of the Market: Trends and Outlook for 2018* featuring top investment professionals and allocators from across the country. As it has been in past years, we believe this will be a very timely and interesting discussion.

Our committee will be extending invitations to this coed event to TXWSW members and the Texas financial and business community as a whole. We anticipate an attendance of 300+ professionals. In addition to the panel discussion, we will host a pre-panel reception as well as a cocktail reception featuring Southern comfort food after the discussion.

How can you help YWPN students across the state achieve their college dreams?

Participate in one or more of the tax-deductible corporate sponsorship opportunities. Please review the enclosed materials and choose to become a sponsor of 9th Annual Investment Outlook event! All sponsors will be given promotional consideration on our website and in print materials. You can make a difference and an impact just by saying "YES!" Many thanks for your consideration and time!

Very kind regards,

Texas Wall Street Women

Texas Wall Street Women (www.txsw.com) is currently celebrating its 10th anniversary as a 501(c) with over 2,500 members. Over the past 10 years, the organization has held more than 350 educational and networking events and has raised over \$720,000 for the Young Women's Preparatory Network (YWPN). TXWSW is committed to mentoring and supporting women throughout their careers in finance, and making a difference in our communities by supporting college preparatory education for economically disadvantaged girls across the state.

TXWSW Corporate Sponsorship Packages

Texas Wall Street Women (TXWSW) invites you to become one of a limited number of sponsors of our organization. The sponsorship bundles outlined below include sponsorship of our four philanthropy events as well as a selection of other TXWSW events throughout the year.
