

# How to lead when you are not in charge

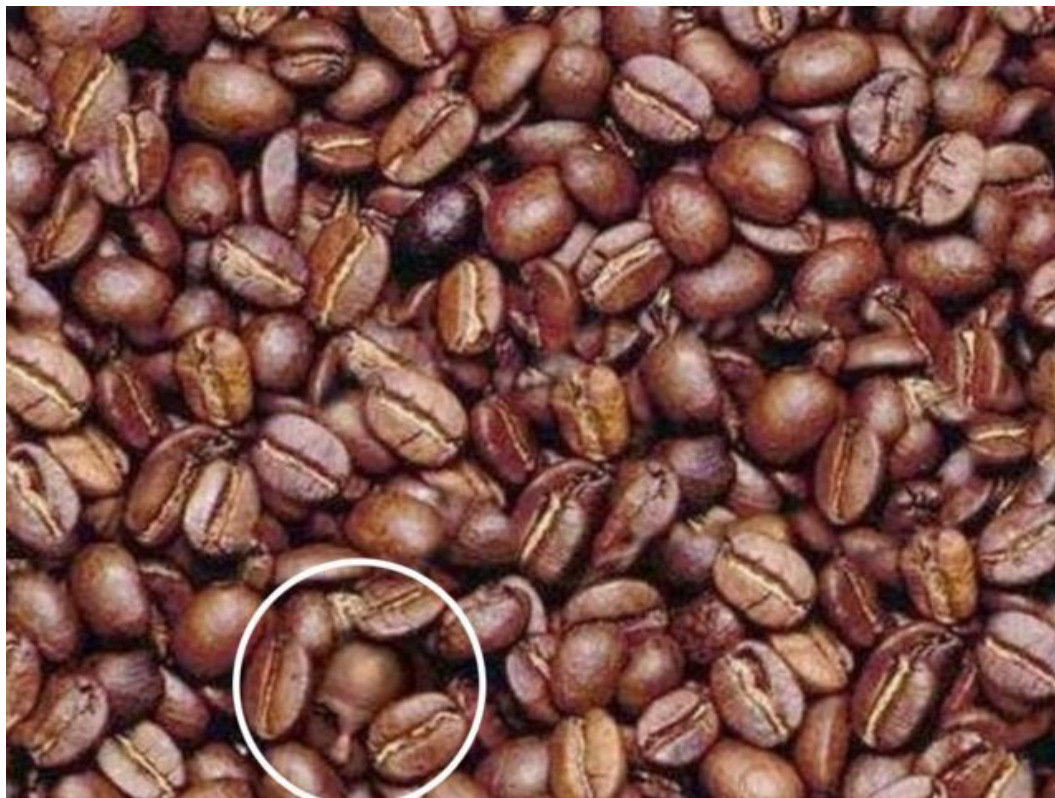

Charlee Garden, Ph.D.  
[Charlee.Garden@utexas.edu](mailto:Charlee.Garden@utexas.edu)

What do see?

# Learning to see

# Learning to see

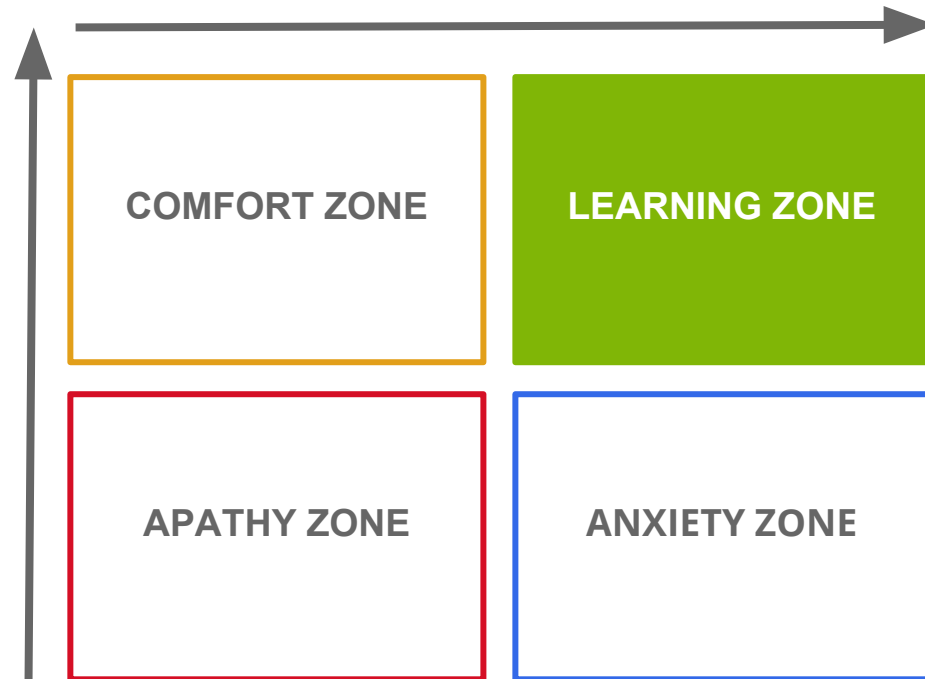

# Learning to See Opportunity

Leadership is envisioning a better future AND believing you can make a difference.

Learning to see opportunity requires awareness AND creativity

Nudging the system

# Where are you?

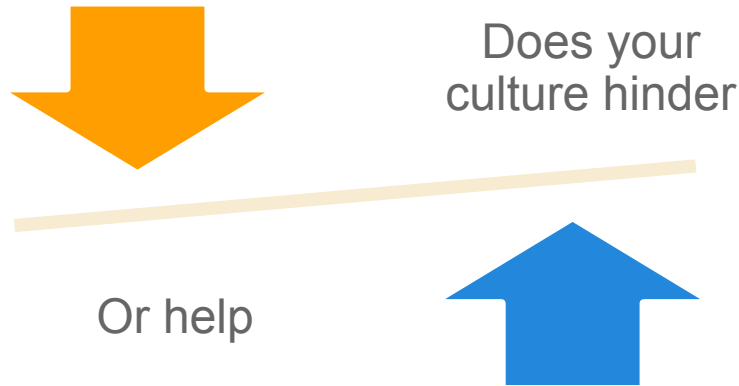

# Learning Zone Culture

# Culture and Strategy

One thing is guaranteed, a culture will emerge in your organization. The question is...

Strategy Execution?

# Leaders Levers for Creating Culture

Leader's role

Lead yourself first

# | Lead yourself first

# Lead yourself first: Practices

Purpose driven

Relentlessly  
Open

Dedicated to  
self-discovery

Committed to  
Both - And

# Thank you
