Dear Friends,

Texas Wall Street Women (TXWSW) invites you to become a sponsor of our 5th Annual Investment Outlook event to be held on Thursday, May 15, 2014 at the Belo Mansion in Dallas and benefitting the Foundation for the Education of Young Women (www.feyw.org). FEYW was founded in 2002 to provide college preparatory education for young girls across Texas from predominately economically disadvantaged families. TXWSW is committed to mentoring and supporting women throughout their careers in finance. We also pursue our mission of making a difference in our communities by supporting the education of girls from low income households across Texas.

Why Girls Education? Studies have shown that investing in the education of girls reaps a double dividend - an educated young woman will become an adult who invests in her children's education, who earns money and respect for her family and community, and who tips the balance from poverty to progress not only for the girl, but for the future family she will have. We at TXWSW are volunteering our time, resources and passion for their future and the future of our state. We ask you to help us continue the work of changing outcomes for these underserved girls and their future families.

You can make a positive difference in the lives of children and families!

On May 15, 2014, the Dallas Education Committee will host a dynamic panel discussion "State of the Market: Trends and Outlook for 2014" moderated by Tom Tull, CIO of Texas Employees Retirement System and featuring top investment professionals and allocators from across the country. As it has been in past years, we believe this will be a very timely and interesting discussion.

Our committee will be extending invitations to this coed event to TXWSW members and the Texas financial and business community as a whole. We anticipate an attendance of 300+ professionals. In addition to the panel discussion, we will host a pre-panel reception as well as a cocktail reception featuring Southern comfort food after the discussion. Our sponsors and their guests will also receive an exclusive invitation to an exclusive breakfast with the speakers the next morning, on Friday, May 16th 2014.

How can you help FEYW students across the state achieve their college dreams?

By reviewing the sponsorship levels on the next page and choosing to become a sponsor of the 5th Annual Panel Education Event. You can make a difference and an impact just by saying "YES!" Many thanks for your consideration and time - we look forward to seeing you in May!

Very kind regards,

Texas Wall Street Women
